**John Krejci Sr.**

has moved into a new role  
after 35 Years at Armor!

**John will now be working as the Sales Manager for our IL, MO & KS locations.**

In the early 1990's John started out in the Service Dept (clean-up duty), then moving into the Parts Dept. He eventually hired into the Sales Dept, where he has worked for the last 25yrs, in Southern Missouri & Illinois.

Welcome to the big time JK!

We had some Tornado damage at our Arnold location this summer, but that is not going to keep us down! Rooves were replaced, and both flag poles and flags are back up and waving proudly!

**For the Month of September we decided to recognize ALL of our "J" named employees.... and we have A LOT!**

**This is first name only. Interestingly enough – no one at Armor has a last name starting with "J"!**
